## **Curved Boxes**

Congratulations on your new Kristina Dam Studio design!

The Curved boxes are designed for our Curved series, fit perfectly into each curve, and store everyday necessities away. The Curved boxes are made of cardboard and covered in cotton fabric.

The cotton surface is durable and requires minimal maintenance. Wipe with a dry cloth and avoid using water. Remove stains with a soft brush.

Indoor use only.

## Studio

Arches and architecture are the essences of the Kristina Dam Studio's monochrome collections. Founded in 2012 by graphic designer Kristina Dam with the initial design idea for the studio to create industrial designs with an art-based approach, making art and sculptures accessible to everyone.

At Kristina Dam Studio, we call our design approach "Sculptural Minimalism". We define sculptural minimalism by merging the artist's meticulous attention to detail with the architect's vision and spatial understanding.

The respect for nature's materials is integral to every piece, the passion for diligent craftsmanship is evident in every item, and each design is more than just interior objects.

All our products are made from high quality and long-lasting materials. Please follow our care instructions and treat your new item accordingly.

All products are designed in Copenhagen, Denmark.
