The F.A. 33 Wall Mirror was originally designed by the legendary designer Gio Ponti in 1933 for that period's most prominent lamp, glass and mirror manufacturer FontanaArte, which Ponti and Pietro Chiesa founded a couple of years earlier. With its pure and light curved shape and iconic expression, the timeless F.A. 33 Mirror adds a gentle touch of elegance to any interior style. The mirror comes in two different sizes, full length and half-length, making it possible to be used in any room as a classic mirror or a striking decorative design element.
